

## As the snowflakes fall, so do prices – get 20% off!

*December 2009. Passcovery Ltd. is offering a special winter discount on its entire line of Atomic Password Recovery software. Get 20% off all software for recovering lost passwords.*

---

The weather is cooling and so are our prices! With the holidays right around the corner, we decided to give our users a gift – buy any of our great Atomic Password Recovery products between December 8 and January 8, find one of the snowflakes hiding on our sites and get an automatic 20% discount.

Atomic Password Recovery is a suite of over 20 applications for recovering lost passwords to such popular file formats and applications as Adobe PDF, Microsoft Office, Zip/Rar archives, email accounts and more. The 20% discount applies to both home and corporate licenses.

Just find one of the snowflakes hidden on our sites and click on it to claim your discount.

### **Convenient, No-Commitment Trial**

Atomic Password Recovery is guaranteed to run on all Microsoft Windows operating systems, from Windows 7 back to Windows 95. Download a limited trial version with no commitment. If you decide to buy, we offer corporate and home licenses.

### **Developer**

Passcovery Ltd. offers a large selection of software for recovering lost passwords to popular file formats and applications, including Microsoft Office documents, Zip and Rar archives, email clients and more. Visit our site for more information on our over 20 applications.
