

## All Password Recovery Tools Just \$9.95

*April 2010. Innovative password recovery solution developer Passcovery Ltd. announces a month-long sale on all Atomic Password Recovery products.*

---

To celebrate its second year in business, Passcovery Ltd. is offering a special deal on all of its Atomic Password Recovery products. Through May 24, all password recovery solutions are just \$9.95.

Atomic Password Recovery supports most popular applications and formats, including Adobe PDF, Microsoft Excel, Microsoft Word, VBA, PST, Outlook, ZIP, RAR and more. Atomic Password Recovery products restore most passwords instantly during the file launch process. For more complex cases, Atomic Password Recovery products use fast, effective recovery methods to get successful results.

Atomic Password Recovery products meet users' needs to work with the latest file formats and applications for the Windows environment.

### Licenses and Pricing

Atomic Password Recovery is tested and guaranteed to run on all current versions of Microsoft Windows from Windows 95 to Windows 7. Basic licenses start at \$25. During the sale through May 24, all products are specially priced at \$9.95 per license.

### About Passcovery Ltd.

Passcovery Ltd. develops innovative Windows solutions for recovering lost passwords. Today the company offers over a dozen different password recovery solutions that support most popular formats, including Microsoft Office files, ZIP archives and email clients.
